**INFORMATION DISCLOSURE STATEMENT**

Sir:

The present Information Disclosure Statement is being submitted after receipt of a Final Office Action.

The person signing below certifies that each item of information contained in the present Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to filing of the present statement. As this statement is being final after receipt of a Final Office Action, the \$180.00 fee is enclosed.

German reference 3922798 discloses a lift driving mechanism. Applicants do not have an English-language translation of this reference readily available. However, an English-language Abstract is enclosed.

The present invention defines a specific cable elevator which is not believed to be disclosed by the enclosed references.
